PRESIDENT'S THOUGHTS – JANUARY 2013

Hello Neighbors!

- ✓ It's a GREAT time to be in Ballentine.
- ✓ Happy New Year to all. Hope the holidays went well for everybody.
- ✓ 2012 got off to a very rough and sad start for Ballentine Place. Through much effort and coordination from our community, our police, elected officials and city departments much was accomplished over the year and many issues resolved.
- ✓ Fortunately 2013 has started off better but we have much work to do this year to create the significant changes we want to see permanently in Ballentine Place.
- ✓ We need to keep the momentum going from the previous year.
- ✓ As a community we need to set new standards and goals for our area. We need to raise the bar.
- ✓ With the coming of the Kroc Center our neighborhood will receive much more attention.
- ✓ People will be looking for new places to live, new business locations and traveling through our neighborhood to the new Center.

See you around the neighborhood.

Your neighbor - Greg
